Welcome to Carroll County Schools

The Carroll County Board of Education provides a comprehensive benefits package for all eligible employees. This benefits package complements the excellent financial compensation offered at Carroll County Schools, and provides additional support to employees as they work to accomplish the school system’s vision, mission and goals. Benefits include medical, dental, vision, life and disability insurance coverage, among others, along with flexible spending accounts and tax sheltered annuities.

This Benefits Guide is designed to give you the information and details you need to better understand your benefit choices. It is also designed to be used in conjunction with the Georgia Department of Community Health’s State Health Benefit Plan New Employee Decision Guide. We encourage you to become familiar with these resources and make choices that work to your best advantage. Of course, with choices come responsibility and planning. Please contact me for clarification and answers to any questions you have. You have 30 days from date of hire to complete your benefit election process.

I look forward to working with you.

The open enrollment period is October 15th-November 8th.

Important Reminders

The Plan Year for all Carroll County Schools Benefits is January 1 – December 31 each year.

Insurance benefits become effective on the first day of the calendar month (provided you are at work on the first business day of that month), after you have completed one full calendar month of service.

Benefits can only be changed during Open Enrollment and/or when a “qualifying event” occurs.

Qualifying events may allow you to enroll, change rate tier, or discontinue the insurance **in which you are currently enrolled outside the Open Enrollment period**, if applicable to the event or benefit. **You have 30 days from a qualifying event to sign forms and make benefit changes.**

For health, dental, vision and life insurance plans, a dependent child may be covered to age 26.

Examples of qualifying events include:

- Acquisition of coverage under a new spouse's group plan
- Acquisition of dependent by marriage, birth, or adoption
- Acquisition of coverage under your spouse's new employment
- Loss of eligible dependents
- Loss of benefit coverage because of spouse's job termination

Remember that you have 30 days following the qualifying event to file a request for change of coverage. If you miss the “window of opportunity,” you must wait until Open Enrollment to make your change(s). Make your selections carefully.

Important to Remember:

Your \$150 contact lens allowance is applied to the fitting/evaluation fee and the purchase of contact lenses. For example, if the fitting/evaluation fee is \$30, you will have \$120 towards the purchase of contact lenses. The allowance may be separated at some retail chain locations between the examining physician and the optical store. Benefits are available every 12 months, based on last date of service.

Basic Life and AD&D (Guardian)

Carroll County Schools provides all full-time employees with Basic Life and Accidental Death and Dismemberment coverage at **no cost to the employee**. Your Basic Life insurance benefit will be at least \$21,250. Your specific benefit is determined by your job title (see the chart below).

The life insurance also provides what is commonly referred to as an **Accelerated Death Benefit**. If you are diagnosed with a terminal illness with a life expectancy of less than 12 months, you may collect up to 80% of your life insurance prior to your death as an advanced payment. When you die, the amount that you have already received will be deducted from the total amount of life insurance that was in effect.

To receive the Accelerated Death Benefit, you must provide proof of your terminal illness. You will be required to provide:

- A completed accelerated benefit claim form;
- A signed Physician’s certification that you are terminally ill; and
- An examination by a Physician of Guardian’s choice, at Guardian’s expense, if Guardian requests it.

How to Calculate your Voluntary Life Monthly Rate

To determine your monthly premium, find the appropriate rate in the tables to the left and multiply it by the number of thousands of dollar of insurance you wish to purchase. The following example will help illustrate the calculation.

Example: An employee, age 30, wishes to elect \$100,000 of Supplemental Life. The monthly rate would be calculated as such:

1. Determine the amount of Supplemental Life Coverage you wish to elect. \$100,000
2. Enter the rate from the table above. \$0.08
3. Enter the amount of insurance in thousands of dollars \$100
4. Monthly premium (2) x (3) \$8/month

Calculate your Monthly Premium:

1. Determine the amount of Supplemental Life Coverage you wish to elect. \$ _____
2. Enter the rate from the table above. \$ _____
3. Enter the amount of insurance in thousands of dollars \$ _____
4. Monthly premium (2) x (3) \$ _____

Flexible Spending Account (AmeriComp Benefits, Inc.)

What is a Flexible Spending Account (FSA)?

With an FSA, a portion of your paycheck is withheld before taxes and put into a special account to pay for eligible healthcare and dependent care expenses. Examples of common eligible healthcare expenses are deductibles, doctor visit copays, prescription copays, and more! You pay no tax on the money that is added to your Flexible Spending Account. Your reimbursement check is also tax-free.

Plan Maximums

The plan year maximum for the Healthcare FSA is \$3,200 and the Dependent Care FSA is \$5,000.

IRS Provision – \$640 Rollover

Carroll County Schools has elected to implement the IRS provision which allows employees to roll forward up to \$640.00 unused amounts from their 2024 balance into their new plan year account for 2025. You must still be an active employee to continue this benefit.

The important thing to remember is that if you have more than \$640 in your flexible medical spending account on December 31, you will forfeit any money above the \$640 unless you have receipts for eligible medical expenses during the plan year. Participants will have until March 31 of the following year to submit any eligible expense for reimbursement from their prior year account balance.

This does not affect your Dependent Daycare Account. You will continue to have the 2½ month Grace Period for any funds you have in your dependent daycare account at the end of the plan year. This money does not roll forward.

Eligible Healthcare FSA Expenses

The following is a short list of the types of expenses eligible for reimbursement from your flexible spending accounts (FSA), provided:

- They are incurred during your FSA plan year.
- They are not eligible for reimbursement from any other source.
- You have available documentation from the provider of the services or supplies which shows the amount of each expense and the date it was incurred.

For a complete list of eligible Healthcare expenses, please visit www.americompbenefits.com.

Eligible Dependent Care FSA Expenses

- Dependent care expenses must be for children in day care up to age 13 and adult family members who need daily care so that parents can work.
- Licensed daycare expenses
- Adult day care expenses
- After-school care, nanny/au pair expenses

For a complete list of eligible Dependent Care expenses, please visit www.americompbenefits.com.

How it Works

AmeriComp Benefits, Inc. provides a debit card to all FSA enrollees upon initial enrollment. This debit card can be used at the point-of-service to pay for your health or dependent care expenses. Using a debit card is a convenient way to take advantage of your FSA because you do not need to pay out-of-pocket, submit a claim form, and be reimbursed. The funds are pulled from the account and paid to the doctor's office, pharmacy or day care facility directly. Remember that not all vendors accept the debit card. In these cases, you are required to pay for the expense and submit a claim form for reimbursement.

Filing Claims is Easy!

Submit a completed claim form to AmeriComp Benefits at the address below along with a receipt for each expense. To obtain a claim form, go online to www.americompbenefits.com. Click on "Our Services," then type Carroll County Schools in the box and all forms available will be shown.
